

# THE LAWRENCE ART SOCIETY

FOUNDED 1953

## Dear Members

We hope this finds you well and finding life a little more like normal.

Like you, we have been waiting, with hope, to return to demonstrations at the Town Hall. Sadly, there is not yet enough progression to allow this yet.

At our recent committee meeting we decided to have **Online Zoom Demonstrations for the remainder of this year**, as the Artists who are to give them were unsure about a live audience. With time now too short to organise one for our normal September start, **our first demonstration will be on the 5th of October.**

To this end, our Programme Secretary, Bernard, is checking with all the Demonstrators on our list to see which of them is able to do a live or recorded demonstration on Zoom **for Monday the 5th of October at our usual meeting time.**

**In the next two weeks**, when this has been agreed, **we will send you confirmation.**

**Zoom codes will be given to all members well before the due date of the demonstration.**

If you do not have a computer or the skills to receive the lectures, we suggest you try getting into a 'bubble' with another member who can before October.

If you have already been online and found a particular Artist you enjoyed, please let us know so we can include them on our list for next year.

## Your Committee

**PS:** Our First **Plein Air** of the year is to be at The Wharf, on the 8th September, from 9.30am to 12.30pm. There is no charge for this opportunity to paint together at the recommended distance.
